

La Jolla Women's Surgery Center

Advance Directives

In accordance with Medicare requirements, this center must inform you that we are not required to honor and do not honor DNR directives. A healthcare power of attorney will be honored.

If a patient should provide his/her advance directive a copy will be placed on the patient's medical record and transferred with the patient should a hospital transfer be ordered by his/her physician.

At all times the patient or his/her representative will be able to obtain any information they need to give informed consent before any treatment or procedure.

In order to assure that the community is served by this facility, information concerning advance directives is available at the facility. Also, you can obtain this form and information, by calling the surgery center at (858) 404-9929 or the State Attorney General's office at (800) 952-5225 or go online to:
